(Directions for bus drivers)

To:
The Johns Hopkins University
APPLIED PHYSICS LABORATORY
Kossiakoff Center Building
11100 Johns Hopkins Road
Laurel, MD   20723

APL is located in Howard County just off Rt. 29
(approx. 1.5 miles south of Rt. 32)

From Capital Beltway (I-495)
Option 1:
Take I-95 North
10 miles to Rt. 32 West (Exit for Columbia)
2.5 miles to Rt. 29 South
From Rt. 32, take Rt. 29 South (towards Washington)

After 1st traffic light on Rt. 29, get in right lane for Exit 15 to Johns Hopkins Road.
(At top of exit ramp, bear right onto Johns Hopkins Road)

Continue straight on Johns Hopkins Road, passing both the Exxon and Texaco stations and the Credit Union. Turn right after the pond onto APL Drive (tree lined)—drive straight towards the flagpole in the circle.

Bear right at the circle. Take the first right—slightly downhill—to the entrance of the Kossiakoff Center (the pond is located on the other side of the bldg. towards the main road). (For parking of buses, see parking instructions below)

Option 2:
Take Rt. 29 North (Colesville Road)
Approx. 10 miles to Exit 15 for Johns Hopkins Road. Drive up the exit ramp, go around the "round about" to continue across the overpass to the other side of Rt. 29.
(Once across--do not turn right at light on Montpelier Road)

Continue straight on Johns Hopkins Road, passing both the Exxon and Texaco stations and the Credit Union. Turn right after the pond onto APL Drive (tree lined)—drive straight towards the flagpole in the circle.

Bear right at the circle. Take the first right—slightly downhill—to the entrance of the Kossiakoff Center (the pond is located on the other side of the bldg. towards the main road).

Bus Parking: From where you drop the students off at the front entrance of the Kossiakoff Center building, continue straight through 1st stop sign at the end of the driveway. At the 2nd stop sign, turn left, go down slight hill and take 1st right into parking area. Take next right. Drive through that parking lot to the next parking lot below the Credit Union, where buses can park. (Note: Some turns are tight, but should be maneuverable.)
